### **BOYS & GIRLS CLUBS OF GREATER OXNARD AND PORT HUENEME**

The Boys & Girls Clubs of Greater Oxnard and Port Hueneme (BGCOP) has been a part of our community since 1962. We serve more than 10,400 youth and teens per year at 17 program sites—including three Clubhouses, three satellite locations, twelve after school program sites. We are open “**when kids need us most**” – after school, on most school holidays and during the summer. We offer safe places where young people can learn, grow, and succeed.

BGCOP is working hard to bring out the best in each young person, helping them become strong individuals with character, self-confidence and self-sustainability. Some of our positive and proven results to date of our youth development strategy include:

- The graduation rate for **BGCOP youth was 96%** compared to 62% for Oxnard/Port Hueneme youth.
- The arrest rate for **BGCOP youth was 4%** compared to 11% for Ventura County Youth.
- The teen pregnancy rate for **BGCOP was 0%** compared to 14% for Oxnard youth.

**Investing in our youth NOW is investing in our FUTURE!**
