El Centrito Family Learning Centers is committed to create a multicultural community of excellence by inspiring children, youth and families of Ventura County to learn, lead and reach their greatest potential.

Students, parents, teachers and volunteers, along with countless others at El Centrito are grateful to be part of a legacy that represents the community, equal opportunities and educational success. Every donation helps support our mission to provide educational services. We can make the dreams of our children and families come true with your help and support [www.elcentrito.org](http://www.elcentrito.org).
